That's All Court Gives Mrs.  
Ralph Thompson, Who  
Was Kid McCoy's No. 5.

Pity poor Maude Thompson! In all her  
matrimonial experience—and the wife

of Ralph Thompson, former Yale swimmer and son of a Syracuse millionaire, has had some experience in husbands, having been No. 5 in Kid McCoy's "Wives I have met"—Mrs. Thompson never had a financial deal such a hand of duces as Justice Daycan doled out today. Only \$25 a week pending her separation suit against Thompson and Christmas a few days off!

Mrs. Thompson, through her attorney, Herman L. Roth, asked the Court to award her at least \$100 a week until such time as she obtains a permanent separation from Thompson. Mrs. Thompson, appearing for Thompson, neither husband nor wife being in court, declared that Thompson has to shuffle through life on a paltry \$2,700 annuity, all his other property having come into the "charitable effort of ridding himself of his first wife," the attorney said.

Mrs. Thompson, Ralph's mother, has plenty of money, but she is now in Hongkong and too far away to aid her son.

Attorney Roth told the Court that Thompson had deserted his wife and left her "absolutely destitute." He challenged the opposing attorney to produce any evidence that his client was at one time the wife of a man named De Camp.

"If Mr. Towns will produce one witness to such a marriage or show me a marriage certificate indicating that Mrs. Thompson was ever the wife of De Camp, I will withdraw this motion for alimony and counsel fee and leave the court room," declared Mr. Roth. "There is

no such evidence. Mrs. Thompson was never De Camp's wife."

Mr. Towns then recited the details of the fly-by-night wedding, Nov. 17, 1912, when Thompson declared in his answer that he was lured into an automobile and taken to New Haven, Conn., and that when he awakened he had been wedded. The lawyer said that he had received word from the Pacific Coast today that De Camp is out there and wishes to take his testimony. He said that also as the wife of Seymour Buetler.

"She is addicted to strong drink and carousings along Broadway, and was recently taken before Judge Corrigan for intoxication," declared Mr. Towns. In addition to \$25 a week alimony the Court allowed Mrs. Thompson \$150 counsel fee.

**Bartholdi Not to Run Again.**  
WASHINGTON, Dec. 22.—Representative Richard Bartholdi, of St. Louis, who has represented the Tenth Missouri District in the House for twenty-two years, has issued a statement saying he will not be a candidate for re-election when his term expires in 1915. Only two other members of the House, Representative Payne of New York and Jones of Virginia, have longer records of service. He expects to work for universal peace.

**Identified Man Found Drowned.**  
Policeman Fash of the Rockaway Beach station found the body of a man floating in Jamaica Bay, off Fifth avenue, Rockaway Beach, this morning and

drew it ashore and had it taken to the Rockaway Morgue. This is the description: About fifty years old, six feet in height, about 200 pounds, brown hair, brown mustache, clothed in a blue suit and black overcoat. In the pockets were six admission cards to an evening school in the names of Vincent and James Carroll. There were also six cents and a dollar watch.

## Check the Symptoms of Lung Trouble

One of the many reasons why Lung Trouble is so difficult to fight is because the disease is often of a very insidious nature. The patient may look well, but in reality is fast losing strength by continued night sweats, fever and cough. These symptoms should be checked as quickly as possible. E-K-M's Alternative is helpful in checking fever and night sweats and it has brought about many complete recoveries. Read this case:

305 W. 34th St., New York.  
"Gentlemen—I am writing you this testimonial that others may know what your Alternative has done for me. Since I was a very young woman I was a sufferer from Bronchitis. I tried doctor after doctor, but none checked it. I would have Lung Trouble, Miss Mary Korhammer, who is a friend of mine, recovered after taking your Alternative and insisted that I try it. I am now, after two years, perfectly well, strong and healthy."

(Attitude) MRS. ROSA VOELPEL.  
E-K-M's Alternative has been proven by many years' test to be most efficacious for every throat and lung affection: Bronchitis, Bronchial Asthma, Hysterical Cough and in rebuilding the system. Contains no narcotics, poisons or habit-forming drugs. Sold by E-K-M-Highman Drug Stores and leading druggists. Write the E-K-M Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.
